

Texas Rice Festival

Ag Mechanics Scholarship Guidelines

- Purpose:** The purpose of the Texas Rice Festival Ag Mechanics Scholarship is to encourage and assist deserving young men and women desiring to further their education by attending and accredited college. One (1) \$3,000 scholarship will be awarded to a senior who has participated in the Texas Rice Festival.
- Eligibility:** Applicants must be currently enrolled in the 12th grade and eligible to graduate in May of 2023. Applicant must have participated in the Texas Rice Festival for at least one year.
- Rules:**
- 1) Recipient will receive \$1,500 at the beginning of the fall semester upon documentation of college enrollment of at least 12 hours; and at the beginning of the spring semester upon documentation of college enrollment of at least 12 hours and a GPA of 2.5 for the previous fall semester. Recipient must use this scholarship the fall and spring semesters immediately following high school graduation.
 - 2) If the recipient does not utilize any of the scholarship, the unused balance of the scholarship will revert back to the Texas Rice Festival Scholarship Fund.
 - 3) Applicant must submit scholarship application to the Texas Rice Festival Scholarship Committee through the Texas Rice Festival office by Friday, May 5, 2023, no later than 4:00 pm.
 - 4) The Texas Rice Festival scholarship committee will screen applications. The decision of the committee will be final. Applicant must be willing to attend an interview if the scholarship committee deems it necessary.
 - 5) Applicant must submit an official school transcript with application. If planning to attend college or university, transcript must include SAT or ACT scores.
 - 6) Applicant must submit scholastic record form completed by school principal or school designee.
 - 7) A photo must be turned in with the application. The photo can be any size, but should be an original, not a scan of a picture. Scholarship recipients are announced in local news papers and published in the Festival's Program/Cookbook.

Scholarship Applicant

Must be planning to study one of the following areas.

The list is meant to be a guideline for areas of study.

Schools and areas of study are subject to change.

Sam Houston State University

Bachelor of Science Degree Industrial Technology

- Construction Management
- Design and Management
- Electronics
- Industrial Education
- Industrial Management

Bachelor of Science Degree in Agriculture

- Agriculture (Teaching Option)
- Agricultural Mechanization (Teaching Option)

Lamar Institute of Technology

Advanced Skills Certificate

- Advanced Engine Technology
- Machining Technology

Associate of Applied Science Degree

- Advanced Engine Technology
- Computer Drafting Technology
- Heating, Ventilation and Air Conditioning Technology
- Industrial Maintenance Technology
- Instrumentation Technology
- Machining Technology
- Process Operating Technology
- Welding Technology

Certificate of Completion

- Air Conditioning
- Diesel Mechanics
- Electronic Instrumentation
- Industrial Maintenance
- Machining Tools
- Utility Line Technology
- Welding Technology

San Jacinto College

Automotive Collision Repair Technology

Collision Repair
Non-Collision Repair

Engineering Design Graphics

Auto CAD 2006
Architecture, Civil, Piping, CAD
Electrical/Electronic, Mechanical
Structural, Instrumentation

Process Technology

Process Technology
Chemical Lab Technician

Welding Technology

Welding Technology
Gas Shielded Welding
Shielded Metal Arc Welding
Pipe Welding

Lee College

Areas of Training

Computer Maintenance Technology
Blueprint Reading
Electrical Technology
Electronics Technology
Instrumentation Technology
Machinist
Millwright
Pipefitting Technology
Process Technology
Technical Math
Welding Technology

Note – Other schools and fields of study may also be considered.
