Start Time: Contest will kick off at 9:00am

Information: The Texas Rice Festival will be hosting its 3<sup>rd</sup> annual Tractor Tech Competition on Friday September 29, 2023. Registration and payment will be done through Judging Card this year. The cost is \$20.00 per team. Lunch will also be provided. Please bring a good assortment of tools and a good working multimeter for diagnosing any electrical issues. Scantrons sheets will be provided but please bring good sharp pencils to fill them out. Scoring will be posted on Judging Card.

The contest will consist of three parts. The students will have to take a multiple-choice test as well as component appraisal. The component appraisal will consist of 20 components with five questions about each component. The multiple-choice test and component appraisal will be completed on a Scantron card. The tractor de-bug part of the contest will be done by the three person team and will be 30 minutes in duration. Prizes will include belt buckles and assorted tools.
